## Grading Guide

#### Pearl Grade

These balls are in excellent condition, they are free from any major marks or blemishes and have seen very little play.

#### A Grade

These balls have narrowly failed as a pearl grade ball, they are in good condition and have only minor signs of previous play.

#### A/B Grade

These balls have some signs of previous play, they are likely to have either pen marks, club marks or discolouration. They are perfectly playable and represent excellent value for money.
